

## MARIANNE SCHMINK

May, 2019

Professor Emerita and Distinguished Teaching Scholar  
Latin American Studies and Anthropology  
Center for Latin American Studies  
University of Florida  
Gainesville, Florida 32611

Phone (352) 215-6008

E-mail: schmink@ufl.edu

### EDUCATION

Ph. D. 1979 University of Texas at Austin (Anthropology)  
B.A. 1971 University of Michigan (Anthropology, with High Distinction and High Honors)

### PROFESSIONAL INTERESTS

Latin America and the Caribbean; Brazil; the Amazon  
Economic development; gender and development; urbanization; migration; frontier settlement;  
tropical resource management; conservation & communities; interdisciplinary methods and  
concepts

### ACADEMIC EMPLOYMENT

Affiliate faculty member: Department of Anthropology; School of Natural Resources and the  
Environment; Center for Women's Studies and Gender Research

#### Center for Latin American Studies (LATAM), University of Florida

- Professor Emerita and Distinguished Teaching Scholar of Latin American Studies and Anthropology, January 2014 to present
- Director, Tropical Conservation and Development (TCD) Program, September 1996 to 2010; Co-Director, 1993-1995
- Director, Amazon Research and Training Program (ARTP), September 1980 to 1993
- Professor, August 1993 to December 2013; Assoc. Professor, August 1986 to 1993; Asst. Professor, January 1984 to July 1986
- Acting Director LATAM June 1986; Acting Assoc. Dir. Jan.-May 1984; Acting Asst. Dir. Jan.- May 1979

#### Brazil

- Visiting Professor, Instituto de Mudança Climática/Rede Acreana de Homens e Mulheres/WWF and Ministério Público (Acre), June-July 2015
- Visiting Professor, Escola Superior de Conservação Ambiental e Sustentabilidade (ESCAS), Brazil, 2014
- Visiting Professor, Federal University of Acre, Brazil, 2005, 2009, 2011
- Visiting professor, Federal University of Minas Gerais, Brazil, 1992
- Visiting professor, Federal University of Pará, Brazil, 1992
- Visiting researcher, Núcleo de Altos Estudos Amazônicos, Federal University of Pará, 1978-1984
- Researcher for study of migration to the Amazon region, Center for Development and Regional Planning (CEDEPLAR), Belo Horizonte, 1975-1981

#### University of Texas at Austin

Teaching Assistant, Department of Anthropology, September 1977-June 1978  
Research Associate, Population Research Center, June-August 1973

## **HONORS AND AWARDS**

Recipient, 2018, Champions of Change award, from the UF Office of Sustainability and the Healthy Gators Coalition, which recognizes individuals and groups that have made significant contributions to the UF community in the areas of sustainability

Recipient, 2011, UF Salary Plan for Professors, which recognizes the high-quality performance of eligible senior faculty who have contributed to the full life of the University over the previous seven years in their assigned areas of teaching, scholarship, and service

Recipient, Prêmio Chico Mendes da Florestania, awarded by the Fundação de Cultura e Comunicação Elias Mansour, Acre, Brazil, December 2009

Finalist, UF Distinguished Alumni Award, 2009

Selected as Lifetime Member, UF Academy of Distinguished Teaching Scholars; Academic Advisory Board, Fall 2009-Spring 2012

Selected for recognition at the Faculty Achievement Recognition Reception (FARR), for milestone achievements in interdisciplinary graduate program building and extramural fund-raising, University of Florida, 2007

Honorable Mention, Chico Mendes Prize in the Science and Technology category, Brazilian Environment Ministry, awarded to the Tropical Conservation and Development program, University of Florida, 2005

Distinguished International Educator Award, University of Florida, 2004

Doctoral Dissertation Advisor/Mentor Award, University of Florida, 2002

Awarded medal for "University Merit" by the Federal University of Acre, Rio Branco, Acre, Brazil, October 1992

Division of Sponsored Research, UF, Research Achievement Award for top 100 researchers for 1990-1991 and for 1991-1992

## **LANGUAGES**

Spanish (fluent)  
Portuguese (fluent)  
French (fair)

## **GRANTS AND FELLOWSHIPS**

Gordon and Betty Moore Foundation, Co-PI of grant (with Bette Loiselle) for project entitled "Stakeholder Analysis Tools and Strategies," 9 November 2018 to 8 November 2019 (\$12,000)

University of Florida Office of Sustainability, Co-PI of grant to Community Weatherization Coalition for project entitled "Low-Income Home Energy Reduction Partnership," 15 August, 2018-14 August, 2019 (\$59,005)

American Public Power Association/Gainesville Regional Utilities, PI of grant to Community Weatherization Coalition for project entitled "Engaging Communities for Energy and Water Savings: Improving Measurement and Effectiveness of Energy/Water Audits for Low-Income Neighborhoods," 1 May 2017-1 May, 2018 (\$85,193)

Gordon and Betty Moore Foundation, Co-PI of grant (with Bette Loiselle, Bob Buschbacher, and Stephen Perz) for project entitled "Tools and Strategies for Conservation and Development in the Amazon: A Workshop on Lessons Learned and Future Pathways," 1 April to 31 December 2017 (\$90,000)

USAID, Co-PI (with Walter Bowen and Steven Sargent) of Trilateral Cooperation – Food Security – USAID, Brazil, Mozambique (RFA-512-10-000004) to negotiate, plan, coordinate, and implement the USAID-funded component of the Trilateral Cooperation Agreement between the United States and Brazil, December 2010-December 2015 (\$7,761,670)

UF Center for Latin American Studies, Co-PI of grant (with Bette Loiselle) for course enhancement to add a global classroom dimension to the graduate-level Interdisciplinary Seminar on the Amazon, December 2014-August 2015 (\$2500)

UF Research Opportunity Seed Fund, PI of grant for "Designing a Framework for Integrative Research on Dams, Environment and Society in the Amazon," August 1, 2013-July 31, 2015 (\$83,000)

Gordon and Betty Moore Foundation, PI of grant (with Charles H. Wood, Jeffrey Hoelle and Carlos Valério Gomes) for research project entitled "São Felix do Xingu: A Municipality in Transformation." October 16, 2013-October 15, 2014 (\$44,000)

National Science Foundation, Supervisor (of Arika Virapongse), Participating in the forest product market: the role of knowledge transformation and livelihood assets in a buriti (*Mauritia flexuosa*) palm leaf market in Barreirinhas, Maranhão (Brazil), July 2010-July 2011 (\$14,978)

World Agroforestry Center USAID Linkage Grant, Co-PI (with Karen A. Kainer) of grant to support graduate student research and a research seminar in Brazil, "Improving tree product marketing for smallholders: Research on Amazonian entrepreneurs, markets, and institutions," May-December 2010 (\$10,000)

Mellon Foundation and Latin American Studies Association (LASA) Grant Seminar series, PI of grant to support conference on "Bridging Conservation and Development in Latin America and Africa: Changing Contexts, Changing Strategies," and panel at LASA Congress in Toronto, October 2010 (\$22,000) October 2009-October 2010

Gordon and Betty Moore Foundation, Co-PI (with Bob Buschbacher and Daniel Zarin) of Amazon Conservation Leadership Initiative for training and capacity building in the Andes-Amazon region (ACLI), 2008-2011 (\$2,157,340)

National Science Foundation, Supervisor (of Maria di Giano), Privatizing the Commons? Mexico's Forestry Ejidos 15 Years after Agrarian Counter-reform, August, 2008-August 2009 (\$3,300)

National Science Foundation, Supervisor (of Mason Mathews), Social Capital in the Transition from Patron-Client to Social Movement Networks in Brazilian Amazonia, October, 2007-October 2008 (\$10,970)

U.S. Agency for International Development, Amazon Basin Conservation Initiative, Co-PI (with Stephen Perz, PI), Experiments in Environmental Governance in the MAP Region – Madre de Dios, Peru – Acre, Brazil – Pando, Bolivia, October 1, 2006-September 30, 2011 (\$3,893,196)

Gordon and Betty Moore Foundation, Co-PI (with Daniel Zarin) of Amazon Conservation Leadership Initiative for training and capacity building in the Andes-Amazon region (ACLI), 2004-2008 (\$1,910,000)

Hewlett Foundation, Principal Investigator of project to support research, training, and collaborative activities to build capacity for community forestry and agroforestry in Brazil, 2000-2008 (\$700,000)

U.S. Agency for International Development – member of ALFA Consortium, Principal Investigator (with Co-PIs Bob Buschbacher, Emilio Bruna, Hannah Covert, Jon Dain, Karen Kainer, Frances Putz, and Daniel Zarin), Sustainable Communities and Landscapes: A Proposed Program to Sustain Natural Ecosystems and Enhance Local Livelihoods in Brazil's Amazon & Atlantic Forest Regions, 2003-2007 (\$604,482)

MacArthur Foundation, Co-Principal Investigator (with E. Bastidas, J. Dain, and K. Kainer), Training and capacity building in community-based conservation for institutions working in protected areas of Ecuador and Colombia, October 2003-September 2007 (\$240,000)

National Science Foundation, Supervisor (of Jeff Luzar), Highway Paving, Deforestation, and Governance along the Trans-Oceanic Highway in the Brazilian State of Acre, June 2004-July 2005 (\$7,060)

National Science Foundation, Supervisor (of Eric Minzenberg), Hunting in the Rural Livelihood Systems of Peasant Households in Seringal São Salvador, Acre, Brazil, June 2003-July 2004 (\$9,736)

Woods Hole Research Center, Co-Principal Investigator (with Stephen Perz), Land-Cover and Land-Use Change in the Tri-Frontier Area of Brazil, Bolivia, and Peru: Implications for Sustainable Land Use in Southwestern Amazonia, April 2003-March 2006 (\$35,000)

National Science Foundation, Co-Principal Investigator (with D. Zarin, S. Jacobson, K. Kainer, and F. Putz), Working Forests in the Tropics, Integrated Graduate Education Research and Training Grant, October 1, 2002-September 31, 2007 (\$2,985,067).

Disney Wildlife Conservation Foundation, Co-Principal Investigator (with C. Sahley), Community-Based Management and Conservation of the Vicuña in Andean Peru, 2001-2003 (\$35,000)

U.S. Agency for International Development – Subcontractor for Chemonics, Co-Principal Investigator (with D. Zarin and F.E. Putz), International Bolivia Sustainable Forestry, 2001-2003 (\$861,695)

National Science Foundation, Supervisor (of Richard Wallace), The Effects of Wealth and Markets on Forest Household Use and Knowledge of Extractive Resources in the Western Brazilian Amazon, August 2001-July 31, 2002 (\$11,355)

National Science Foundation, Supervisor (of Samantha Stone), Differential Participation and Distribution of Benefits and Costs in Community Based Timber Projects in Brazil, July 2001-June 2002 (\$3,938)

Milton and Miriam Handler Foundation, Co-Principal Investigator (with T. Ankersen and D. Zarin), Bolivian Forestry Law Project: Stakeholder Impact Analysis, 2001 (\$15,000)

U.S. Forest Service, Co-Principal Investigator (with F.E. Putz and D. Zarin), Research in Support of Sustainable Forest Management in Bolivia, 2000-2002 (\$200,000)

Summit Foundation, Co-Principal Investigator (with Joshua C. Dickinson III and Daniel J. Zarin) of project entitled "Sustainable Forest Management in the Bayano Watershed of Panama: A Feasibility Assessment", March-October, 2001 (\$63,192.50).

U.S. Agency for International Development, Project Manager and co-author of unsolicited grant to the University of Florida and the PESACRE group, to support "Agroforestry Development Program for Small Producers in the State of Acre, Brazil", September 1990-September 2003 and "Managing the Environment and Resources with Gender Emphasis (MERGE)" support program for the Environment program, Brazil (\$3,834,226).

WIDTECH, Co-Principal Investigator (with Denise Garrafiel) for Case Study Series and Workshop on Community, Gender, and Protected Areas, 1999-2000 (\$29,000)

Ford Foundation and State of Florida, Co-Author of proposal for endowment support for the Tropical Conservation and Development program, University of Florida, 1999 (\$4,000,000)

National Science Foundation, Supervisor (of Victoria Reyes-Garcia) of research entitled "Effects of Market Economies on Ethnobotanical Knowledge among Tsimane' Communities in the Bolivian Amazon", July 1999-December 2000 (\$11,960).

National Science Foundation, Supervisor (of Amanda Stronza) of research entitled "Tourists and Amazonian Hosts: Impacts on Economy, Values and Forests", May 1998-May 1999 (\$8,122).

International Food Policy Research Institute, Co-Principal Investigator (with Avecita Chicchón) for field research program entitled "Gender and Intra-Household Impacts of Community-Based Conservation and Development Initiatives in Peru and Brazil", 1997-2000 (\$19,988).

Ford Foundation, Co-Author of proposal for "The Conservation and Development Forum", to support a program to review learning on conservation and development experiences worldwide, 1996-1999 (\$1,000,071).

Ford Foundation, Co-Author of proposal for renewal of support for the Tropical Conservation and Development program, University of Florida, 1995-1999 (\$250,000).

MacArthur Foundation, Co-Author of proposal for renewal of support for the Tropical Conservation and Development program, University of Florida, 1995-1999 (\$252,000).

MacArthur Foundation, Co-Author of proposal for "Managing the Environment and Resources with Gender Emphasis (MERGE)" to support a collaborative program of training, networking and technical assistance in Peru and Ecuador, January 1995-December 1998 (\$200,000).

North-South Center, Co-Principal Investigator (with Avecita Chicchón) for field research program entitled "Sustainable Development with Local Populations in Protected Area Sites: A Comparative Research Program", 1996-1997 (\$29,835)

North-South Center, Principal Investigator (with Peter Cronkleton) for field research proposal entitled "Landownership Turnover Among Resettled Populations in Acre, Brazil", July-December, 1995 (\$9,259).

National Geographic Society, Co-Principal Investigator (with Masaaka M. Yamada) for field research proposal entitled "Community Agroforestry Management of Japanese Immigrants in the Amazon", November 1994-November 1996 (\$18,610).

U.S. Information Agency, Academic Specialist Program, environmental affairs consultant to the Latin American Faculty for the Social Sciences (FLACSO), Quito, Ecuador, July 1994

U.S. Information Agency, University Affiliations Program, UF Director and co-author of a proposal to support exchange program in Ecology and Environmental Sciences with the Federal University of Minas Gerais, Brazil, August 1990-August 1995 (\$74,990)

UNICEF grant for collaboration in Amazon Basin Program, November 1990-December 1991 (\$11,200)

U.S. Dept. of Education, Fulbright-Hays Faculty Research Abroad award (\$29,988) and Social Science Research Council Grant for Advanced International Research in Latin American Studies (\$15,000) for research on "Urbanization in Amazonia: Eco-Demographic Change in Rio Branco, Acre, Brazil", July 1989 - August 1990.

U.S. Man in the Biosphere Program, co-author of grant to support workshop on "Traditional Resource Use in Neotropical Forests", Gainesville, Florida, 19-22 January 1989 (\$26,000)

Ford Foundation, Brazil, principal author of proposals for grants to support a program of technical/scientific cooperation between the University of Florida and the Federal University of Acre, Brazil, November 1987, June 1988, and June 1989 (\$260,050)

Andrew W. Mellon Foundation, co-author of proposal for grant to support the Amazon Research and Training Program, University of Florida, September 1980 to 1989 (\$250,000)

USAID, co-author of proposal for collaborative agreement with the Population Council to support project on "Women, Low Income Households and Urban Services in Latin America and the Caribbean", August 1981-December 1987 (\$594,531)

University of Florida, Amazon Research and Training Program, travel grant for research and program activities in Brazil, April 1987 (\$2,800)

Rockefeller Foundation, grant to support conference on "Gender Issues in Farming Systems Research and Extension", Women in Agriculture Program, University of Florida, February 26-March 1, 1986 (\$8,000)

Ford Foundation, New York, grant to support conference on "Gender Issues in Farming Systems Research and Extension", Women in Agriculture Program, University of Florida, February 26-March 1, 1986 (\$22,500)

National Science Foundation, co-author of proposal for grant to support "U.S.-Latin American Workshop on Comparative Amazonian Development", Lima, Peru, May 1985 (\$21,964)

University of Florida, Division of Sponsored Research, Research Development Award, "Development Policy and Frontier Expansion in the Brazilian Amazon: Impact Study in Southern Pará", May 1984-May 1985 (\$22,232)

Inter-American Foundation, principal author of proposal for grant to support conference on "Frontier Expansion in Amazonia", Amazon Research and Training Program, University of Florida, February 8-11 1982 (\$20,000)

International Development Research Centre (IDRC), Canada, principal author of proposal for grant to CEDEPLAR (Brazil) to support Phase II of a longitudinal study of frontier expansion in the Amazon, 1981 (\$79,700 Canadian)

Tinker Foundation, Post-Doctoral Fellowship, January-December 1980 (\$14,000)

Population Council, grant to study the impact of urban policies on women in Latin America, January 1979-May 1980 (\$18,500)

Social Science Research Council and the American Council of Learned Societies, Latin America and Caribbean Program, Dissertation Research Fellowship, June 1975-December 1976 (\$10,000)

Fubright-Hays, Doctoral Dissertation Research Abroad Fellowship, July 1975-June 1976 (\$8,000)

Social Science Research Council, grant to support participation in Inter-American Research Training Seminar, "Feminine Perspectives in Social Science Research in Latin America", Cuernavaca, Mexico, June 1975-December 1976

National Defense Foreign Language Title VI Fellowships, University of Texas at Austin, for Spanish 1972-1974; for Portuguese 1974-1975

Honors Council, University of Michigan, grant for field work training in Nicaragua and language study in Mexico, May-August 1971

## **CONTRACTS AND CONSULTATIONS**

Consultant, Emory University Laney Graduate School, March 12-14, 2019 (part of team to review proposed Ph.D. program in Global Health and Development).

Invited participant, Exploration of Andes-Amazon Issues, D.C. workshop, Gordon and Betty Moore Foundation, Andes-Amazon Initiative, Washington, DC, April 20-21, 2016

Invited participant, Sustainable Development, Environment and Health workshop, Emory University College of Arts and Sciences, April 16-17, 2015.

Chair, International Evaluation Committee to conduct an evaluation of Agriterris (Actividad Agropecuaria, Territorio y Sistemas Agroalimentarios Localizados) international collaborative program among institutions in Argentina, Brazil, and France, October-December 2014

Consultant, Center for International Forestry Research (CIFOR), Forests and Livelihoods Team (write a review paper on gender research on forest and property rights in the Amazon), September-December 2013

Member, Deans' Distinguished Advisory Committee on the Latin American Studies Center, University of Maryland, 2013-2014

Member, Coalition of Advisors, Ecoexist project on Human-Elephant Conflict in eastern Okavanga panhandle of Botswana, April 2013 (advise on design of programs to mitigate human-elephant conflict and enhance the economic value of elephants to local communities)

Consultant, University of New Mexico Latin American Studies program, November 14-16, 2007 (part of team to review Latin American and Iberian Institute programs)

Consultant, Center for International Forestry Research, 2003-2006 (advise on analysis of models of technical assistance for community forest management in Central America and Brazil)

Consultant, Forest Management Trust, March 2002-May, 2003 (advise on forest management projects by USAID in Latin America)

Consultant, Ford Foundation, July-August 2001 (advise on interdisciplinary research and training program in Sustainable Development at the Federal University of Acre, Brazil)

Invited participant, "Working Session on Communities, Institutions and Policies- Moving from Environmental Research to Results", sponsored by WIDTech and the Global/Women in Development office of U.S. Agency for International Development, Sept. 16-17, 1997 in Washington, D.C..

Consultant, Conservation International-Peru, March 1996 (advise on community-based conservation in Tambopata, Peru)

Consultant, Management Systems International, March 1996 (serve on expert advisory board for an evaluation of United Nations Development Fund for Women)

Consultant, John D. and Catherine MacArthur Foundation, March-April 1993 (advise the World Environment and Resources program staff about institutional strategies for the Tropical Andes)

Member, Review Panel to evaluate Unit Directives Plan of the Brazilian Agricultural Research Company (EMBRAPA), Acre, Brazil, 19-20 November, 1991

Member, Design Team for USAID MAYAREMA Natural Resource Management Project in the Petén Peninsula, Guatemala, March-April 1990 (WID/gender and social science specialist)

Trainer, short course on "Managing FSR/E for Sustainable Agricultural Development in the Philippines," Gainesville, Florida, 11-15 June, 1989

Consultant, USAID Regional Office for the Caribbean (Barbados), January 1989 (advise on incorporation of gender considerations into agricultural research and extension institutions)

Lead trainer, Federal University of Acre, Brazil, training courses in adaptive research methods, June 1988 and July 1989

Co-Manager, Population Council/USAID project on "Women, Low Income Households and Urban Services in Latin America and the Caribbean", September 1981-December, 1987 (support for interdisciplinary working groups in Peru, Mexico and Jamaica to carry out research, dissemination and consulting activities)

Consultant, USAID, Program and Policy Coordination/Center for Documentation and Evaluation (PPC/CDIE), March 1985-July 1986 (evaluation of AID's 10-year record of implementation of women and development programs)

Consultant, International Women's Health Coalition, November 1985-January 1986 (advise on program development in Brazil)

Consultant, Ford Foundation, January 1984; October 1978; June 1976 (advice and evaluation of various aspects of the Foundation's programs on women in Latin America)

Consultant, Population Council, October 1979-September 1981 (advice on programs for the Latin American region)

Consultant, Brazilian Urban Transport Company (EBTU), July 1979 (advice on design of a study of the relationship between transport, employment, and poverty)

Consultant, Ford Foundation (New York), September 1978 (on population and resources in the Amazon region)

## PROFESSIONAL EXPERIENCE

Reviewer for:

(grant and fellowship proposals) Educational Foundation of America; Fulbright-Hays; Guggenheim Foundation; Instituto Internacional de Educação do Brasil, U.S. Man in the Biosphere Program; MacArthur Foundation; National Endowment for the Humanities; National Atmospheric and Space Administration; National Science Foundation; Jesse Smith Noyes Foundation; Lindbergh Foundation; Social Sciences and Humanities Research Council of Canada; Wenner-Gren Foundation; Natural Environment Research Council, United Kingdom

(manuscripts) Center for International Forestry Research; Columbia University Press; Duke University Press; University Press of Florida; Kumarian Press; New York Botanical Garden; Stanford University Press; State University of New York Press; University of Michigan Press; University of Pennsylvania Press; Rutgers University Press; University of Texas Press; Westview Press; Wildlife Conservation Society; The World Bank

Member, Editorial Board, *Revista de Antropología*, University of San Marcos, Peru, 2019-present

Reviewer, Moore Inventor Fellows Program, Gordon and Betty Moore Foundation, 2017-present

Evaluator, Echoing Green Fellowship Program, 2015-present

Member, National Science Foundation Review Panel, Navigating the New Arctic (NNA), May 6-7 2019

Member, Inter-American Foundation Grassroots Development Fellowship Program Academic Review Committee, 2013-2018

Elected Member, Executive Committee, Brazilian Studies Association, 2010-2014

External Advisor, Incubator for Public Policies in the Amazon, Federal University of Pará, Brazil, 2012-2014

Guest Co-Editor (with José Jouve-Martín, Latin American Research Review, Special Issue on Contemporary Debates on Ecology, Culture and Society. 2008-2009. Also, co-organizer and co-chair of three panels by the same title, Latin American Studies Association meeting, Rio de Janeiro, June 10-14, 2009.

Handling Editor, *Conservation Biology*, 2012

Member, Editorial Board, American Anthropologist, 2005-2008

Member, Technical Review Panel, Lindbergh Foundation, 2004-2007

Member, Review Panel, Doctoral Dissertation Cultural Anthropology Program, National Science Foundation, 2003-2005

Member, Editorial Board, Latin American Research Review, April 2003-March 2005

Member, Research Planning Committee, BOLFOR (Bolivia Sustainable Forest Management Project), USAID/Chemonics International, 2000-2004

Member, Gender Unit External Advisory Committee, International Development Research Centre, Canada, September-October, 2001

Secretary-Treasurer, Forest Management Trust, January 1, 2002-December 31, 2003; Member, Board of Directors, September 2000-December 31, 2003

Member, Program Advisory Board, Population and Environment Fellows Program, University of Michigan, April 1997-June 2002

Member, Standing Committee on International Exchange, Commission on International Affairs, National Association of State Universities and Land-Grant Colleges, January 1994-January 1997

Founding Member, Standing Committee on Cultural Dimensions of Global Change, International Union of Anthropological and Ethnological Sciences, December 1989
